Serving Your Needs

1936

TO AVOID MISTAKES OR MISUNDERSTANDING PLEASE READ THIS PAGE BEFORE ORDERING. WE WILL POSITIVELY DO ALL WE CLAIM AND IN MANY CASES MORE BUT CAN NOT BE RESPONSIBLE FOR YOUR MISTAKES.

WE ABSOLUTELY GUARANTEE PERFECT SATISFACTION and if on receiving your order or later you feel that you have not received full value in every way let us know and we will either refund your money or make other restitution. But remember no one is perfect and if you do not give us a chance to make it right *you have no one to blame but yourself.*

If it becomes necessary we reserve the right to change these prices but if they have advanced we will notify you before shipping.

If sold out of any variety ordered unless you instruct us to the contrary we will substitute with the nearest we have.

BE SURE YOU READ THIS--DELIVERY CHARGES

All seeds delivered at prices quoted. On Onion Sets, Plants and All Other Items add 10 Cents to help pay packing and carriage.

TERMS:—If you have established credit with us or furnish satisfactory references we will be glad to extend reasonable credit. If not, please send check, money order or *three cent stamps.*

WHOLESALE PRICES:—To Florists, Market Gardeners or others using large quantities we will be glad to quote special prices.

SPECIAL CLUB ORDERS. We make a liberal discount for Neighborhood Club orders or to Organizations. Write for CLUB DISCOUNT SHEET.

AGENTS:—Every year there are quite a number who by taking orders among their friends and neighbors earn quite a nice little sum.

JUNIOR PROJECT or 4-H CLUB. As our part in encouraging the 4-H Projects we will give a discount of 25% from regular prices on all Seeds and Plants to be grown for competition in 4-H work. BUT IN ORDER TO GET THIS DISCOUNT YOUR GARDEN MUST BE REGULARLY ENTERED AND GROWN UNDER THE RULES OF THE CLUB.

Risley's Plant House gives no warranty express or implied as to description, quality or productiveness of any seeds, bulbs, or plants we sell and we will not be in any way responsible for the crop. If you do not accept them on these terms, return them at once and get your money back.

VEGETABLE SEEDS

No variety of Seeds or Plants will grow the same under different climatic and soil conditions. The list we offer is not large but for twenty-four years we have been selecting those best adapted to conditions in central New York and eliminating those not desirable here. Our aim is to furnish seed that will give you results and give us repeat orders.

FLOWER SEEDS

Here in our Northern climate are many flowers we can not expect to grow to perfection. Our season is too short and our soil is too slow to warm up in the Spring. On the other hand some do even better here than in the hotter drier localities. In our twenty-four years of trial it has been our aim to select those which can be grown here with an assurance of success.

PERENNIAL PLANTS

We have a very good assortment of Perennials in strong healthy plants and as we have found nearly everyone wants to come and select their stock we are not listing them all here but simply suggest you come and select what you want. Our Iris and Phlox are especially good and this year we are increasing our plantings of Dahlias.

LAWN GRASS SEED

You can buy Lawn Seed at any price you wish to pay provided you can use chaff, Poor Germinating seed, and varieties not adapted for a good lawn. There is more substitution and misrepresentation in the sale of this than in any other seed sold and for this reason the laws of New York State are very strict as to labeling just what is in the package. Our seed is put up especially for us according to a formula mixture of the varieties that are adapted to our soil and climate and of the very best quality. Our price is not high and quality considered you will find it the cheapest you can get.

FLORAL DEPARTMENT

While it would be impossible to list our Floral Work in a catalogue we simply say that for quality, workmanship, or reasonable price, it will rank with the rest. We make no delivery charge within fifteen miles of Hamilton.

We are members of the Florist Telegraph Delivery Association and can wire Flowers for you anywhere in the United States and any of the principal cities of the world.

Our business is selling Seeds, Plants, Flowers, and anything for the Garden. But our real pleasure is talking it over with you, getting your ideas and giving you what information we can from years of experience.

For twenty-four years we have worked together. You have given us not only your liberal patronage but your words of praise and encouragement as well. You have played a large part in building our business and we are more grateful than we can express.

We have tried to do our part by furnishing the varieties of seeds and plants best adapted to your requirements and of the best quality obtainable, by giving you the advantage of the lowest prices possible consistent with good quality, by trying at all times to procure the newer varieties of merit, by giving you any suggestions we could from our experience and giving you the best service possible in every way.

We simply say thank you and hope our relations in the future may be as pleasant as they have been in the past.

LAST BUT NOT LEAST

While we have listed the leading items we handle, we have many more varieties of both seeds and plants in small quantities as well as other items. Anything you want in the garden line just ask us and if we do not have it, we can probably tell you who has.
